# St. Mary's School Roslyn Hts., New York

SAINT MARY'S SCHOOL

On May 14, 1951, ground was broken for the construction of a much needed school, with Rev. Raymond A. Kearney officiating. The school opened in September, 1952 and was staffed by the Sisters of Mercy of Brooklyn. September, 1986 brought us a new Principal, Sister Alice Traynor, an Ursuline Sister. Today Saint Mary's is still going strong. The school consists of students from Nursery through Eighth Grade.

## St. Mary's Church

ROSLYN, NEW YORK 11576

June, 1989

Dear Members of St. Mary's  
Graduating Class:

Your graduation from St. Mary's School will take place on June 11, and I look forward to sharing it with you.

I feel very happy that you have received your early education at St. Mary's. I am sure you have received more from this experience than you realize at this time. The friends you've shared, the knowledge you've acquired, the faith you've been given, the learning about life -- all these, and more, are gifts from St. Mary's to you.

And you have offered us a lot too. Each of you is a unique person with your own gifts, talents, abilities, personality, and your presence among us has been a gift to us. We depend on you! Our future is linked to your future. Our hope is for you to carry on the traditions, the faith, the learning that has been such a vital part of our families and our church. We trust you will do it well.

My personal congratulations and best wishes go to each one of you. May you have a great graduation day and may the rest of your life be successful and happy.

Sincerely yours,

*F. Fagan*

"FAREWELL"

*It's so hard to believe that after all this time, we're graduating.*

*St. Mary's has given us the motivation and courage we need to do our best in high school and the years to come. It has taught us not to be satisfied with mere mediocrity, but to achieve our greatest potential.*

*I think, along with everyone in our class, that the reason we came here, in the first place, was to get a good, Catholic education and to learn Christian values. I can clearly see that we have been taught these values, and we now have a solid foundation on which we can continue to strengthen our religion.*

*The friendships we've made will last a lifetime, and so will all our fond memories we've shared.*

*Our time here at St. Mary's is not to be forgotten. The future looks promising as we each go our separate ways. Yet, the wonderful memories will always keep us together.*

*Graciously,*

NADINE BAILEY, MEREDITH BROSNAN  
& THE CLASS OF '89

# Dedication

Dear Cassie,  
I'll remember  
you always as  
an inquisitive  
student always  
seeking the  
truth and complete  
explanations.  
May the future  
hold many wonder-  
ful, exciting  
things for you.  
Happiness,  
Love and  
Success!  
Love!

Mrs. Ammirati  
1989

This year, we would like to dedicate this Yearbook to Mrs. Loretta Ammirati, for the love and patience she has given us. She has taught us Science, Health and Religion in a way we won't forget.

For the past two years, her knowledge guided us through obstacles we could not handle alone. Mrs. Ammirati has been more than a teacher to us, she has been a friend. She has set our minds to be ready for the future. When we go off to High School, we will remember her in our minds and hearts. We all thank her for what she has done for us.

# Just for Today

*Just for today I will try to live through this day only, and not tackle my whole life problem at once. I can do something for twelve hours that would appall me if I felt I had to keep it up for a lifetime.*

*Just for today I will be happy. This assumes to be true what Abraham Lincoln said, "Most folks are as happy as they make up their minds to be."*

*Just for today I will adjust myself to what is, and not try to adjust everything to my own desires. I will take my life as it comes, and fit myself to it.*

*Just for today I will try to strengthen my mind. I will study. I will learn something useful. I will not be a mental loafer. I will read something that requires effort, thought and concentration.*

*Just for today I will exercise my soul in three ways, I will do somebody a good turn, and not get found out; if anybody knows of it, it will not count. I will do at least two things I don't want to do — just for exercise. I will not show anyone that my feelings are hurt; they may be hurt, but today I will not show it.*

*Just for today I will be agreeable. I will look as well as I can, dress becomingly, talk low, act courteously, criticise not one bit, not find fault with anything, and not try to improve or regulate anybody but myself.*

*Just for today I will have a programme. I may not follow it exactly, but I will have it, I will save myself from two pests — hurry and indecision.*

*Just for today I will have a quiet half hour all by myself, and relax. During this half hour, sometime, I will try to get a better perspective of my life.*

*Just for today I will be unafraid. Especially I will not be afraid to enjoy what is beautiful, and to believe that as I give to the world, so the world will give to me.*
